

Monday 3rd October 2022 International Lecture

Michael Huot – Lecturer Extraordinaire

WHO IS MICHEL HUOT?

Michel has been a corporate magician for 26 years. He has more than 4500 performances in the corporate field. He has been an invitee at the FFFF for 21 years. His creations appeared in numerous magazines (Genii, MAGIC, The Magic Menu) and in many books by David Acer, John Lovick, Paul Rohmany and others. He has performed and lectured in Algeria, Mexico, USA, Canada, France, the Magic Circle in London, Switzerland, Italy and more! He is also the creator of two best-sellers: SOCKS and Priceless.

WHAT WILL YOU LEARN IN THAT LECTURE?

- Real commercial tricks you can do for REAL AUDIENCES (Tricks with Socks, Jacket, Shoe, cards, gum, billiard ball and more)
- TIPS to work in corporate events
- Some real advises for the CLASSIC FORCE and what

to do if (or when) you will miss it!

- How to approach a group and... when to do so!

Michel shares the real work. Even if the tricks are all good and commercial, what people remember is that he gives tons of tips he learned from more than 4500 performances

WHAT THEY SAID!

Michel is a unique performer and showman! I use 3 of his tricks in my show! (Marc Desouza)

I hate Michel Huot. His stuff is so commercial. I really hate him. (David Stone)
