Paul Gordon - Killer Card Workers

It's a fun fast-paced lecture that even non-card men will learn from and enjoy. There's no heavy material; just doable worker commercial card magic and lots of typical Paul Gordon fun. Paul's lecture is full of worker doable card magic from his best-selling Gold Dust Trilogy, Quidnunc, Article 52 books and DVDs such as Killer Card Magic, The Real Secrets of Card Magic, Gold Dust Live, Seven Workers Packet Tricks and Live in Action; plus tips, advice, stories, patter, presentation, gags, experiences, funnies etc., etc!

Boris Wild: "One of the most exciting lecturers. Great magic, fun and energetic!"

Wayne Dobson: "I have just spent a very enjoyable couple of hours watching Paul Gordon's excellent lecture. There are so many workable ideas. Great fun. I urge you to see this, you will not be disappointed!"

Terry Herbert: "Although cards are not my speciality, I have just been to one of Paul Gordon's lectures and it was the most entertaining and informative one I have ever been to; and very funny"
